Benefits & Assistance

At Kalstein France we care about the full satisfaction of our customers, that's why we offer value-added services of the highest level based on our expertise.

Quick Response

Our team is always available to answer all your questions or queries, in order to support you in any situation...

Technical Support

Enjoy personalized advice for the correct preventive and corrective maintenance of your equipment, thanks to Kalstein manuals and articles, special catalogs and video tutorials.

#Letsgivemore

Thanks to your purchase, a donation is made to a non-profit foundation that fights cancer and helps vulnerable communities.

AI Model Recommendation

Model recommendation through AI is used to analyze user behavior, preferences and specific characteristics in order to recommend the most suitable product models for each customer.

Kalstein+ Platform

All of this would be presented in an intuitive and easy-to-use interface, providing a personalized and satisfying shopping experience for each customer.

Kalstein worldwide

With more than 25 years growing with our customers, Kalstein's multi-format and modern content is now present in more than 10 countries and growing.

Delivery Logistics

We take care of all the logistics necessary for the shipment of your goods, whether by sea, land or air.

KALSTEIN® Washer Machine

120KG Tumble Dryer (With Coated) GAS

Model YR06333

Product Description:

- ✓ The fully automated system includes computer-controlled temperature regulation, temperature control devices, and an over-temperature protection mechanism to ensure safe and efficient operation. It offers various heating options such as electrical, gas, steam, a combination of electrical and steam, or coal, providing operators with the flexibility to choose the most suitable method.
- ✓ The cooling fan is engineered for optimal heat dissipation and wind speed, enhancing efficiency. Both the drums and panels are designed to prevent corrosion and protect fabrics. The machine's design ensures easy access to vital parts, making maintenance straightforward and allowing for quick belt replacement. The large door, which opens 180 degrees, makes loading and unloading convenient, with options for either left or right opening.

Technical Specification:

Model	YR06333
Capacity	120 Kg
Drum Dimension	1450*1180 mm
Drum volume	1949 L
Motor Power	2.2Kw
Fan power	1.5*2 Kw
Steam pressure	0.4-0.5 Mpa
Voltage	380 V
Dimensions	16301980*2440 mm
Weight	880 Kg
Powered	GAS
