# KALSTEIN® Washer Machine

## 20KG Tumble Dryer (Full Stainless Steel)

Model YR06306

### Product Description:

- ✓ The fully automatic system features computer-controlled temperature regulation, temperature control devices, and an over-temperature protection mechanism for safe and efficient operation. Heating options include electrical, steam, or a combination of electrical and steam methods. The cooling fan is optimally designed for excellent heat dissipation and ideal wind speed.
- ✓ The drums are constructed entirely of stainless steel, while the panels are available in either stainless steel or a durable spray material, preventing fabric contamination from corrosion. The machine also includes a large door that opens 180 degrees for easy loading and unloading, with the option of left or right opening.
