OUR SERVICES

## Benefits and Support

In Kalstein France, we take care of the full satisfaction of our customers, that is why we provide value-added services of the highest level based on our experience.

### Online Inductions and Trainings

In any part of the world, receive your induction or training from our specialized team of engineers

### Quick Response

Our work team is always available to response all your consults or questions, in order to support you in any situation.

### #Letsgivemore

Thanks to your purchase, a donation will be made to a non-profit foundation that fights against breast cancer and helps most vulnerable communities.

### Technical Support

Enjoy of personalized advice for the correct preventive and corrective maintenance of your equipment, thanks to Kalstein's manuals and articles, special catalogues and video tutorials.

### Delivery Logistics

We take care of all the necessary logistics for the dispatch of your goods, whether is by sea, land or air.

### Kalstein Worldwide

With more than 25 years growing with our customers, Kalstein's multiformat and modern content, is now present in more than 10 countries and increasing.

# KALSTEIN® Refractometer

## ATC Wine Refractometers

### Model YR05931 // YR05936

#### Product Description:

The Wine Refractometer is a metal device that provides you with fast & accurate results. It's dual-scale provides you the direct reading of the alcohol as well as brix measurements. FULLY EQUIPPED with ATC that automatically adjust itself to correct temperature discrepancies during use. Refractive index is very temperature dependent; it is important to use a Refractometer with automatic temperature compensation to give you the most accurate measurement in any type of environment temperature. Capable of measuring with high accuracy and provides precise results and is equipped with vivid and sharp reticle chart for easy and comfortable reading.

#### Features:

- ✓ High quality body construction
- ✓ Uses ambient light only which means battery or power source is not required
- ✓ Easy to focus and calibrate
- ✓ Cushioned with soft & comfortable non-slip rubber
- ✓ With ATC function(Auto Temperature Compensation)
- ✓ Durable and built to last long
