KALSTEIN® Washer Machine

Electric Heating Washer/Dryer (Full Stainless Steel)

Model YR06339

Product Description:

- ✓ This high-performance washer-dryer is designed with a double-layer structure to save space and maximize efficiency. Both the panel and drum are made of high-quality stainless steel, providing resistance to acids and alkalis, corrosion resistance, and ensuring a long lifespan with an attractive appearance.
- ✓ It features a mechanical suspension shock structure that reduces noise and allows the unit to stand independently without additional anchoring. The door system is simple and user-friendly, making operation easy for users. The machine is compatible with multiple payment systems, including the ability to read various coins and tokens simultaneously, as well as card reading systems, making it ideal for use worldwide.
- ✓ For enhanced safety, it includes a door lock system for both the washer and dryer, protecting users during operation. Additionally, its unique suspension system allows it to operate smoothly even at high spin speeds of over 700 r/min. This combination of features ensures superior performance, durability, and ease of use.
