OUR SERVICES

## Benefits and Support

In Kalstein France, we take care of the full satisfaction of our customers, that is why we provide value-added services of the highest level based on our experience.

### Online Inductions and Trainings

In any part of the world, receive your induction or training from our specialized team of engineers

### Quick Response

Our work team is always available to response all your consults or questions, in order to support you in any situation.

### #Letsgivemore

Thanks to your purchase, a donation will be made to a non-profit foundation that fights against breast cancer and helps most vulnerable communities.

### Technical Support

Enjoy of personalized advice for the correct preventive and corrective maintenance of your equipment, thanks to Kalstein's manuals and articles, special catalogues and video tutorials.

### Delivery Logistics

We take care of all the necessary logistics for the dispatch of your goods, whether is by sea, land or air.

### Kalstein Worldwide

With more than 25 years growing with our customers, Kalstein's multiformat and modern content, is now present in more than 10 countries and increasing.

## KALSTEIN® Gel Documentation Gel Documentation System Model YR06207

### Product Description:

The Gel documentation system YR06207 is a compact, smart and easy-to-use system for DNA and protein gel documentation needs. The user-friendly interface and an optional removable industrial computer bring users perfect operation experience. The removable industrial computer provides high feasibility, running speed and avoids the after sales possibilities of the embedded PADs.

### Features:

- ✓ Smart, compact and saving the space
- ✓ Sensitive digital Camera with high resolution
- ✓ Blue LED transmission as standard
- ✓ Removable industrial computer instead of embedded PAD
- ✓ Optional fluorescent module
- ✓ Intuitive Software for unlimited users

### #Letsgivemore ♥

Thanks to your purchase, a donation will be made to a non-profit foundation that fights against breast cancer and helps most vulnerable communities.
